

# Astrowings of Wisconsin

Dedicated to the hobby and craft of radio control aircraft flying

Astrowings of Wisconsin, a Radio Control Flying Club located in Grafton, WI, is currently seeking sponsorships to help support the many club and charity events we put on each year. Our "Fun Fly" charity events over the past 20 years have donated over \$80,000 to the Special Olympics and the Boy Scouts of America. In support of our club you will receive advertising space at our event and your logo placement (and link to your Web site) on our Internet site at [www.astrowings.com](http://www.astrowings.com). Some of our former sponsors include Schwanke-Kasten Jewelers, Assurant Health, Hobby Town USA, Circle B Recreation, Greenfield News and Hobby, We Energies, Waste Management and Suburban Rentals.

Our club also works closely with Boy Scout Troup 840 to earn merit badges by teaching them how to fly remote control airplanes. This is one of the most rewarding activities for our members.

Please donate to our non-profit club by indicating your preference below. We will, of course, accept any donation. You will receive special invitations to all of our events. Thank you for support of our organization.

Sincerely,

Steve Tarney  
President, Astrowings of Wisconsin

## Donation Form

Detach this portion and return with your donation, logo and Web site information to Steve Tarney, 6824 N. Reynard Rd., Fox Point, WI 53217. Or you may e-mail your logo in JPG or GIF format and Web site address to Steve Tarney at [starney@wi.rr.com](mailto:starney@wi.rr.com).
